

DATALOGIC SHIELD™

Datalogic Shield is a new software service from Datalogic that delivers software security support and lifecycle management for mobile computers with Android™.

Included in the service are regular firmware updates that include quarterly security patches, as well as incremental improvements for the device.

Under Datalogic Shield, the device will also benefit from Android major version upgrades*.

Datalogic Products Supported:

- Joya™ Touch A6
- Memor™ 1
- Memor™ 10
- Memor™ 20

Datalogic Shield* Subscription for predictable, recurring Android software updates:

- Includes quarterly security patches based on the Android Security Bulletins:
<https://source.android.com/security/bulletin>
- Includes firmware fixes and enhancements
- Android major version (dessert) upgrades included
- Support for 2 years after device's end of sale
- 12 month transition support for prior Android versions
- Automatic customer notifications of new updates

Datalogic Shield subscriptions are available as part of our service contracts:

- EASEOFCARE (EoC) contract
 - Datalogic Shield is included with Datalogic EoC maintenance contracts
- Datalogic Shield (software-only) contract
 - If customer doesn't purchase EoC, they can buy the Datalogic Shield (software-only) contract

*Subject to Datalogic Shield or EASEOFCARE Terms and Conditions
